

# Avonics WORLD CUP 2010 package offer

## 55" LCD screen installation package

Complete 55" LCD screen installation carried out by professional engineers. No need to worry about buying the right bracket and being insured to fix it to the wall. All our installations are fully insured and guaranteed. We will connect your new plasma to your existing aerial or Sky system. Built in freeview gives you access to all the free to air digital channels including news, music and sport.

## 55" HD READY PLASMA TV WITH BUILT IN FREEVIEW

PANASONIC Viera TX-P50X10B 50" Full HD Plasma TV

H 769mm x W 1218mm

**55" PLASMA  
Screen, wall  
bracket, delivery  
& installation**

FLAT PANEL WALL MOUNT

This stunning 50" television is driven at 100hz double scan providing the viewer with a sharper and crisper image. Next-generation black reproduction has been achieved by improving the panel production process, incorporating the new Real Black Drive system (a pre-discharge control system), and raising the base illumination. Now with this Panasonic television it's easy to view photo images with the SD Memory Card slot.

*All installations subject to site survey, package deal includes for connection to existing aerial system.*

## 50" PLASMA screen package offer
